

## **Job Description:**

### **Job Title: Trainee Interpreter**

This post is based at Communication Plus, Solihull, B92 7EF, however the role requires the applicant to travel across the West Midlands.

You will join a team of Interpreters and Communication Support Workers, providing high quality and professional Interpretation Services across the West Midlands in a range of settings.

It is expected that all applicants will hold a current CRB certificate at enhanced disclosure and have achieved a minimum of NVQ6 Award in British Sign Language and should, ideally, have registered as a Trainee Interpreter with the NRCPD. Membership of Professional Bodies such as ASLI is preferable but not essential.

The successful applicant will demonstrate their ability to interpret between BSL and English and show aptitude to work in a range of community interpreting settings, particularly medical settings, with an understanding of the particular dynamics and Interpreting practices required within this setting.

The post holder must be a car user and will be required to have a car available for business use. You must be willing to work out of hours and be flexible in your approach to work.
